

## **Math Competition Coach**

- Do you love math with a passion and have a demonstrated ability to stir that passion in others?
- Do you have a knack for making complex concepts clear in a step by step fashion?
- Do you love teaching bright, capable students who are eager to learn?
- Would you benefit from a community of faith and learning that embodies both academic rigor and spiritual depth?
- Do you see math competition as an opportunity to grow in scholarship and godly character, not as a measure of a child's worth?
- Do you see intelligence as something that can be built, and mistakes as opportunities to grow?

If so, there is an exciting opportunity for you at The Cambridge School. We are looking for a coach that will enjoy doing hard math with our students, helping them to do excellent work while shepherding their souls towards an appropriate view of math competition.

Our coach will meet with two groups. Our 6<sup>th</sup>-8<sup>th</sup> grade competitors will meet weekly after school from September through May, preparing for AMC 8, MathCounts, and Math Field Day competitions. Our 9<sup>th</sup>-12<sup>th</sup> grader competitors will meet weekly from September through January, preparing for AMC 10/12.

The Cambridge School is a K-Prep through 12th grade classical Christian school located in Rancho Penasquitos. We were founded in 2006 for the purpose of providing a distinctly Christian education in the classical tradition. If you could see yourself in this educational environment, please send a letter of interest and your résumé or curriculum vitae to [careers@cambridgeclassical.org](mailto:careers@cambridgeclassical.org).
