

General Guidelines for Uniforms:

- All students **MUST** purchase both regular and dress uniform components from **LANDS' END ONLY**. All tops, bottoms, dresses, and outerwear must be selected **ONLY** from The Cambridge School's approved list of uniform items (all items are individually listed below). Not all items on Lands' End are TCS approved.
- **Cambridge Logo:** All tops, outerwear, and jumpers **MUST** have the Cambridge Logo on them. Please note that it costs an additional \$8.10 per item to have our logo embroidered onto uniform items from Lands' End.
- **Shoes** do **NOT** need to be purchased through Lands' End, but Lands' End does offer a good selection of shoes for your convenience. If you choose to purchase shoes elsewhere, use the Lands' End shoes as a guide for what is appropriate.
- **Regular Uniforms:** You may mix and match as you please among the items within our Cambridge-specific, Lands' End dress code. We suggest you purchase enough regular uniform items to last about a week.
- **Dress Uniforms** are worn for all special occasions throughout the school year (Convocation, Grandparent's Day, Christmas and Easter programs, etc.). Most families purchase only one set of dress uniform items per child per year.
- **Field Trip Uniforms** are worn for field trips throughout the year. The field trip uniform consists of any navy top and a khaki bottom from the approved Lands' End list.
- **Used Uniform Sale:** Used uniforms can be purchased year round in the Main Office.

Hats

- Students can wear either the Cambridge baseball cap or any other plain white, beige, or navy cap/hat.

Additional Guidelines:

- Uniforms should be clean, tidy, and ironed when needed. Clothing and accessories must be tasteful, clean, appropriately sized, and in good repair.
- Students are to dress modestly and neatly. This means not only having regard for the coverage and fit of clothes, but also for the message that clothing sends. The requirement to be modest includes the stipulation that clothing should not call undue attention to itself or to its wearer.
- Hair is to be combed, brushed, and out of students' eyes.
- The amount and style of jewelry must be modest and tasteful. Only stud earrings, no dangling earrings for girls. Students may also wear one simple, tasteful necklace that does not pose a safety hazard or serve as a distraction in the classroom as determined by the teacher.
- Skirts should be no shorter than 6 inches measuring from the middle of the knee cap up.
- All students must have their shirts buttoned to the second-from-the-top button as well as the collar buttons buttoned down and the cuffs buttoned. Students may not roll up their sleeves except during activities such as art, science labs, and playing outside during a break.
- If desired, a short sleeved solid white undershirt may be worn beneath the girls' or boys' Oxford shirt.
- Hair accessories can include colors found in Cambridge uniforms, but cannot be over 4 inches in diameter.
