About The Cambridge School

If you're looking for a meaningful vocation that seeks to form young people to live flourishing, eudaemonic lives while collaborating with thoughtful, mission-focused colleagues in an intentional community of faith and learning, The Cambridge School in beautiful San Diego, California, might be just the place for you!

We are a JK-12th grade Classical Christian school that is almost 20 years old and thriving. We are committed to equipping students to think well, love rightly, and live wisely through an educational model that is rooted in historic Protestantism and the best of the classical tradition. Our mission embodies a dedication to shaping students' affections towards the true, good, and beautiful by providing them with an education that is formative and not merely informative. While this is no easy task in our day and age, together we are faithfully seeking to cultivate wisdom and virtue in our students through our academically-vigorous and spiritually-robust community of faith and learning. If this resonates with you, please go to our school website at www.cambridgeclassical.org to learn more and apply!

Position Overview

We are looking for an experienced educator who shares our Christian classical commitments. The ideal candidate will be an enthusiastic and thoughtful educator capable of engaging middle and high school students in meaningful mathematics instruction. This candidate would inspire them to see that mathematics can be a subject that all students can learn and even delight in, especially when viewing mathematics as a Liberal Art and not only for STEM.

Essential Duties and Responsibilities

- Plan and facilitate math lessons in the Upper School, adhering to the school's educational philosophy and in conversation with the Math Chair, Academic Dean and Upper School Principal.
 - Demonstrate knowledge and proficiency in middle and high school level mathematics.
 - Facilitate, evaluate, and track student learning.
 - Implement effective classroom management and discipline procedures to provide a positive classroom environment conducive to learning.
-

Essential Duties and Responsibilities (continued)

- Demonstrate ability to inspire learning and cultivate relationships with students.
- Demonstrate knowledge of development characteristics of middle and high school-aged students.
- Serve as an advisor to a small group of students.
- Engage in continuous professional development.
- Model effective teacher/parent partnering through timely communication with parents in support of student learning. This includes posting assignments, grades, conferencing, etc.
- Collaborate effectively with colleagues, staff, and school leaders.
- Actively participate in school life, attending advancement events, school retreats, etc.

Requirements

- Bachelor's degree in Mathematics or related field. Advanced degree preferred.
- Minimum of three years of teaching experience, with a preference for those familiar with the Christian classical model.
- Exceptional written, oral, and interpersonal skills.
- Proven success in working collaboratively and communicating effectively with students, parents, and school stakeholders.
- Alignment with our school's statement of faith and commitment to the school's mission, vision, and values.

Benefits

The Cambridge School offers a comprehensive benefits package including:

- Medical*, dental*, vision, and life insurance (*up to 100% coverage by the School)
- 403(b) retirement plan with up to 4% employer match
- Professional development opportunities

How to Apply

Interested candidates are invited to send a letter of interest, resume, and references to careers@cambridgeclassical.org.

The Cambridge School is an equal opportunity employer and welcomes candidates from all backgrounds who agree wholeheartedly with our Statement of Faith and our articulation of our mission.
